Unit 11

Home Spelling **Practice**

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Word Search Have your child read or scan newspapers, magazines, catalogs, or books to find spelling words. Depending on the type of material, ask him or her to circle the words, cut them out, or simply point them out to you and write them on a separate sheet of paper.
