

Pacing Guide, Zaner-Bloser Handwriting

Grade 2 Manuscript

Handwriting may be integrated easily into short blocks of time each week. At the Grade 2 level, handwriting instruction continues to support alphabetic knowledge and phonemic awareness—the cornerstones of successful reading and writing development—as well as increased identification of high-frequency words and preparation for cursive writing. *Zaner-Bloser Handwriting* also supports the focus of the Common Core State Standards in handwriting for this grade level. Concentrate on whole-word, sentence formation, paragraphs, and related exercises with your students for 15 minutes a day through the school year.
