2. Slide right.

Note to Families: In handwriting, we have been writing the letters **L** and **I**. Use the stroke descriptions below to review the formation of these letters with your

child. Then spend a few moments completing the following activity together. For additional practice, have your child trace the letters **L** and **I** in the air.

Trace the shaded letters in the picture. Color the picture.

Stroke
Descriptions

l. Pull down straight. Slide right.

l. Pull down straight.

Note to Families: In handwriting, we have been writing the letters **I** and **i**. Use the stroke descriptions below to review the formation of these letters with your child. Then spend a few moments completing the

following activity together. For additional practice, have your child place the letter cards on items at home that begin with **I** or **i**.

Cut out the letter cards. Make textured letters by attaching dry noodles, sand, or glitter with glue. Trace the letters with your finger, following the correct stroke sequence.
