2. get

3. net

4. pet

5. pen

6. men

1.

2.

3.

4.

5.

6.

Parent Note: Ask your child to write the spelling words correctly on the blank lines.

Help your child make labels for things in your home, such as the sink, stove, bed, table, cabinets, and so forth. Have your child circle each beginning letter with one color and each ending letter with another

color. Play naming games by saying, for example, "I see something that begins like telephone," or "See how many things end like door," or "I am thinking of something we walk on. It rhymes with door." Then ask your child to name the word.
