Spelling Connections Grade 1

Spend some time each day helping your child spell these short vowel sounds. Perhaps you could find a place in your home where you can work together and where you can keep

things like paper, pencils, dictionaries, etc. In this way, everything will be prepared for your short study sessions.

Here is an activity that you can do with your child to practice words in this week's Review Unit.

- **Rhymes** Tell your child to pronounce each one of the words in the lists on this page. Ask him or her to indicate which words rhyme. Then work with your child to write two-line poems using the words.

For example: I saw my pet
Get caught in the net.
