5. hug

6. tub

1.

2.

3.

4.

5.

6.

Parent Note: Ask your child to write the spelling words correctly on the blank lines.

Write each spelling word on an index card or piece of paper. Print the vowel letters (a, e, i, o, u) in red (or another

color) and the consonants in black. Hold up a card for a few seconds. Then put the card away and have your child write the word or spell it aloud. Use the cards for frequent reviews of the spelling words.
