1.

2.

3.

4.

5.

6.

Parent Note: Ask your child to write the spelling words correctly on the blank lines.

Write each letter of the alphabet on a small square of paper. Make two letter squares for l and s. Magnetic letters can

also be used. Say a spelling word and have your child use the letters to make the word. Then ask him or her to say or write a sentence using the word.
