Parent Note: Ask your child to write the spelling words correctly on the blank lines.

Write each of the spelling words on two separate cards. Shuffle the cards and place them facedown on a table. You and your child should take turns turning over two cards at a time, saying each word and then

spelling it. If the words on the two cards match, the player should keep the cards and take another turn. If they do not match, the cards should be replaced. The game should continue until all the cards have been used. The player with the most cards at the end of the game is the winner.
