2. going

3. seeing

4. feeding

5. feeling

6. keeping

1.

2.

3.

4.

5.

6.

Parent Note: Ask your child to write the spelling words correctly on the blank lines.

Play a game by asking your child to name and spell a word from clues you give. Possible clues would be definitions or words

with similar or opposite meanings. For example, for the word feeding you might give this clue: "This is what you see people doing for the birds in the winter."
