Parent Note: Ask your child to write the spelling words correctly on the blank lines.

Ask your child to say a sentence using each of the spelling words on this list. For example, "I have no crayons." After your child makes sentences with one spelling word, challenge him or her to make a

sentence using two of the spelling words. Challenge him or her to try making sentences with three of the spelling words. Finally, encourage him or her to make one sentence using as many of the spelling words as he or she can.
