Parent Note: Ask your child to write the spelling words correctly on the blank lines.

Ask your child to draw a picture for each word on this spelling list. Use one sheet of paper for each illustration. Then have your child write the spelling word he or she has illustrated on each page and put them in

alphabetical order. If your child enjoyed this activity, he or she could create a dictionary using the spelling words from past units.

The illustrations and words could be placed in alphabetical order in a loose-leaf notebook.
