Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Word Draw Write each spelling word on a separate index card or piece of paper. Put the cards in a paper bag. Draw one card at a time and give clues to the word. Ask your child to name the word and spell it or write it. The more imaginative you are with this game, the more fun it will be.
