Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Yesterday's News
Write the base word of each spelling word for your child, e.g., the base word of walked is walk. Then give your child clues to form each spelling word.

Appropriate clues are "add the ending that makes the word mean that something has already happened" (-ed) and "add the ending that makes the word mean that something is happening right now" (-ing).
