Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Now I Am an Author Ask your child to write a very short one-paragraph story, using as many of the words from the list in this unit as possible. The story can be real or imaginary. If he or she wishes, your child may draw an illustration for the story. Check for the correct spelling and meaning of the words. Share these compositions with the rest of the family.
