Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Small Word Circles
Help your child form generalizations that will help him or her remember the spellings of the words in this unit. One such generalization is that each of the words is made up of a word plus an ending (-ed or -ing). Then have your child write each spelling word and circle the smaller word in each.
