Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

**Write Your Novel**  
Have your child write an end-of-the-year composition. It might be a story with several pages. Tell him or her that he or she should write descriptively, using all the words in this unit. Ask him or her to circle each word that came from the spelling list. Ask your child to read his or her "novel" aloud. Perhaps he or she could "publish" it on the computer and create illustrations from clip art. Otherwise, he or she could draw illustrations and place the finished composition with a title page in a notebook.
