## Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Superstar At one time or another, probably everyone longs to be famous. Ask your child to think about the best or the most important thing he or she has ever done—a deed or accomplishment that he or she would like to be remembered for. Have him or her write about that deed or accomplishment as though it were going to be broadcast on the evening news.
