Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Ladder Game Draw a ladder with twenty rungs. Write the letters that spell the target sound for each word on the rungs. Have your child fill in the missing letters to write the spelling words. The object of the game is to use each spelling word once to "climb" to the top of the ladder.
