Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Word Blurb Write this sentence on an index card for your child to use as a model:

In the word _____, the _____ sound is spelled _____.

Pronounce each spelling word. Have your child read the model sentence, inserting the spelling word in the first blank, the target sound in the second, and the spelling pattern in the third.

Example: In the word oven, the **ən** sound is spelled en.
