Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Story Break

Encourage your child to write a story to read to his or her classmates. Suggest that he or she write his or her favorite kind of story—science fiction, mystery, adventure, nonfiction, or fantasy. The story should have a beginning, a middle, and an end and should clearly explain who the characters are and what is happening to them. When the story is finished, encourage your child to illustrate his or her story and to design a cover for it.
