Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Tell Me a Story Ask your child to choose five words from the spelling list. Have him or her write a short paragraph that tells a story using these five words. Tell him or her to circle the words in his or her paragraph that are on the spelling list. You might ask him or her to write four different kinds of paragraphs, i.e., descriptive, narrative, persuasive, and expository (explaining something). Share these imaginative writings with family members.
