Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

And Now It Means... Write the list of spelling words, removing the suffixes (endings) -ward and -ly. Give the list to your child and have him or her write the correct suffix on each word. Ask how the suffixes change the meanings of the words and the part of speech of each. For example, home (noun) and homeward (adverb). Check his or her work to be sure the suffixes were added correctly to the words.
