Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Circle-a-Sound
Have your child write the spelling words in categories according to their spelling patterns. For example, in Unit 17 the categories for the spelling words would be nn, rr, cc, and ss. Then have your child circle the target spelling pattern in each word.
