Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Addressing the Class Ask your child to prepare to address the class at graduation. First, he or she should write his or her speech, using as many words from the list of this unit as possible, and then perhaps you would like to record the speech and share it with other family members.
