Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Review Review the words from Units 7–11 as part of a family spelling bee. Use the words on this page first, then go back to the full word lists from Units 7–11 until you have a winner. As a prize, other family members could help the winner with a household chore.
