Home Spelling

Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Family Contest
Organize a family competition to see how many words each person can think of that end with "able" and then with "ible." Have each person call out a word in turn until they are unable to think of any more. Ask your son or daughter to write down the words as they are given. The winner is the one who can think of one more word than the others.

Suffixes: -able, -ible

- | | |
|-------------------------|-----------|
