Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

High Fashion
Encourage your child to imagine being a newspaper reporter covering an important fashion event. Have him or her write a review of the fashion show using as many of the words from the spelling list on this page as possible. Include an elegant luncheon as one of the events at the fashion show. You could record a reading of the article and share it with family members. Instead of a fashion show, your child might prefer to write about a shopping trip.
