Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

How Is Your French? Visit the local library with your son or daughter and look at the French-English dictionary, or use one from home or the school library. Look up the English words in the word list in this unit and compare them with the French words. Note similarities and differences. Can you find any more French words in the dictionary that are similar to English words?
