## Home Spelling

## Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Word Clues

Encourage your child to make up game or letter-and-picture clues involving the spelling words. He or she should draw or write the clues on small cards or sheets of paper and then write the spelling words on the backs of the cards or sheets. A game may be played by asking other members of the family to guess the words from the clues.
