Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Word Games One of the easiest and most enjoyable ways to stimulate a person's interest in words is to encourage him or her to play any game such as Scrabble, Boggle, Last Word, Upwords, Pronto, and Megamix, or homemade versions of such games as Password. These games call for players to pay attention to word formation, show how letters can be manipulated to form many different words, and point out the elements of fun and challenge in word play.
