Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Crosswords Ask your child to develop mini crossword puzzles by writing spelling words horizontally and vertically so that they intersect. Drawing the outline of the puzzle on graph paper, writing clues for the words, and challenging family members to fill in the puzzle provide additional practice.

Latin Roots:
spec, volv, ver
