Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Review Write suffixes and prefixes on one set of cards and mix them up in a bowl. Write base words on other cards and mix them up in another bowl. Draw a card from each bowl. If a word can be formed from the two cards, the player earns one point. If not, replace the cards and the next player has a turn.
