Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Word Search Have your child read newspapers, magazines, catalogs, or books to find spelling words. Depending on the type of material, he or she may circle the words, cut them out, or simply point them out to you and then write them on a separate sheet of paper.

You may want to ask your child to look for movie and art reviews in the newspaper, commentary on inserts of CD's and audiotapes, or playbills from concerts and theater productions.
