

Name _____

Home Spelling

Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Division by Syllables One of the problems many children face when they learn to write is the correct division of words into syllables. Ask your child to divide the words on this list into syllables, putting a hyphen between each syllable. Have him or her use a dictionary to check the way in which he or she divided the words.
