## Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

**Coloring Your Roots** An easy and most enjoyable way to arouse and maintain a person's interest in words is to play any of the commercially available games such as Scrabble, Boggle, Last Word, Upwords, and Megamix, or homemade versions of such games as Password.

Have your child use markers to indicate the roots *spir*, *viv*, *vid*, *vit*, and *vis* in the word list. Use a different color for each root.

Latin Roots:

*spir*, *viv/vit*, *vid*, *vis*
