Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Word Sort Label three envelopes *nouns*, *adjectives*, and *verbs*. Say each word and have your child write it on a small card or piece of paper. Then have him or her put the word into the appropriate envelope.

After the words have been sorted, have your child draw one word from each envelope. Help him or her write a sentence using all three words.
