Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Happy Endings!
Write the words on the list for this unit without the *-ise* and *-ize* endings. Have your child look at the list and say which ending should go on each word. Then have him or her write the correct ending on each word. Look at the spelling list to check his or her work.

Endings: *-ize, -ise*
