Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

What's My Line?
Play a game by having your child guess a spelling word from clues you give. The first clue should give the first letter of the word, and the second clue should be a rhyming word. For example, you might say, "This word starts with the same letter as your first name. It rhymes with hill." Have your child say the word and then write it.
