Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Telling Tall Tales
Challenge your child to use as many words as possible from this spelling review list to tell a tall tale. First, ask your child to look at the words and use his or her imagination to create a story. The story should be exaggerated and fantastic! Ask your child to circle each spelling word that he or she is able to use in a story.
