Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Which One?

Pronounce one of the base words (that is, the word without the -s or -es ending) and ask your child to write it.

Then give a clue to the ending he or she is to add to the word. For example: "Write egg. Now add the ending that will make the word mean more than one."
