Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Flash Cards Write each spelling word on a card or a piece of paper. Print the vowel (o) in red (or another color) and the other letters in black. Hold up each card and have your child look at it for a few seconds. Then put the card down and have him or her spell the word aloud or write it. Use the cards for frequent reviews.
