Assessment  
and Review

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

The Train Is Leaving Help your child write a short story about a train trip and use the words from this list. Check to be sure he or she has spelled these words correctly. When you have read and corrected the story, ask your child to make a final copy and draw a picture to illustrate it. Share the story with family members.
