Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Look Quickly!
Write the spelling words in large letters on separate cards or pieces of paper. Show your child one card at a time for about five seconds. Put the card out of sight. Have your child say the word and then write it on paper. Show your child the card again so that he or she can compare spellings.
