Assessment  
and Review

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

A Long, Hot Summer Children look forward to the days of summer when school is not a part of the daily routine, families go on vacations, and activities are more concerned with play than with study. However, as parents, you could use this time to review spelling and assist in language development. Look at and spell signs along the highway, ask your child to name things you see and try to spell the words, look at grocery store signs, and hunt for sale items in all kinds of stores.
