

Name _____

Home Spelling

Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Use Your Imagination

Ask your child to write sentences using two words from the spelling list in each sentence. Continue until he or she has written ten sentences. None of the words should be used more than once. Check the sentences for correct spelling and understanding of the meaning of the words.

Assessment and Review
