Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

**Concentration**  
Write the spelling words on index cards with blanks in place of the letters that spell the long vowel sounds. (Note that in vowel-consonant-e pattern words, such as face, the letters that spell the long vowel sound are separated by another letter.) Write missing letters from each word on separate cards. Place the cards facedown in two stacks. Have your child draw one card from each stack and try to make a word. If a word can be made, have your child read the word and then write it. If no word can be made, have him or her return the cards to the stacks and continue until all cards have been used.
