Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Super Sleuth Play a game with the spelling words by having your child name and spell a word from the clues you provide. Possible clues would be definitions, synonyms, antonyms, rhyming words, or hints to spelling patterns.
Example: This word names a kind of wooden wall. (fence)
