Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Scrambled Words
Write each word on the spelling list backwards. Give your child the list and ask him or her to rewrite each word correctly. He or she may refer to the spelling list for help. If he or she does this easily, rewrite the list but mix up the letters in each word. Have your child unscramble the letters and write the words correctly.
