Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Working With Homophones

Say the spelling words and encourage your child to listen carefully to the vowel sound in each. This will help her or him associate the spelling patterns with the sounds they stand for. Since word meaning is important in the study of homophones, it is helpful for students to hear the words in sentences.
