Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Context Clues

Have your child listen while you say sentences from which a spelling word is missing.

Encourage your child to use the "clues" in the incomplete sentence to help him or her decide which of the spelling words best fits the sentence. You might prefer to write each sentence, leaving a blank space in which your child can write the missing word. Example: A baby cat is called a _____. (kitten)
